Year 07

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
Art & Design	Drawing Skills – Formal Elements – Line, Shape, and Pattern	KO in-class assessment	Formal Elements – Colour and Tone	KO in-class assessment	Formal Elements – Space, Texture and Form	KO in-class assessment
Computing	Online Safety and Digital Literacy	KO in class assessment	Cyber Security and Python programming	KO in class assessment	Website Design and HTML	Y7 Summer Quintile Exam
Design Technology	Health and Safety Working with tools and equipment safely and accurately to create a pen holder. Design & Communication skills <i>Rotations between Product Design and Food Technology</i>	KO in-class assessment	Product Design - Developing practical skills to manufacture a steady hand game <i>Rotations between Product Design and Food Technology</i>	KO in class assessment	Food – crumble, stir fry, pinwheels, scone, chocolate orange twists, flapjack, risotto, fish fingers, spring rolls, cheesecake, Swiss roll	KO in class assessment
Drama	Core drama skills – exploring how a performance is created	KO in class assessment	Physical Theatre -using abstract performance work to explore a stimulus	KO in class assessment	Script work and character development in Ernie's Incredible Illuminations	KO in-class assessment
English	The Odyssey- Exploring structure and creative writing: narrative	KO in-class assessment YBM Tasks	The Tempest- exploring language and tone and creative writing: building descriptions	KO in-class assessment YBM Tasks	Oliver Twist- comparing ideas and views. Transactional writing- articles	KO in-class assessment YBM Tasks Y7 Summer Quintile Exam
Geography	Lions and Tigers. Map Skills	KO in-class assessment	Fragile Environments. Globalisation of fashion	KO in-class assessment	Coasts	Y7 Summer Quintile Exam
History	Sutton Hoo and what makes a historian.	KO in-class assessment	Challenges to Medieval Monarchy.	KO in-class assessment	Changes in religion under Henry VIII.	Y7 Summer Quintile Exam

	Norman Conquest and Control.		Mongol Empire.			
Mathematics	Geometry – Properties of Shape, area and perimeter, angles Numeracy – Place value, decimals, Order of Operations, estimation, rounding, directed numbers, factors, multiples and primes.	KO in-class assessment	Numeracy – Fractions, percentages, decimals. Algebra – Introduction, sequences, solving equations. Ratio – Simplifying, writing and sharing.	KO in-class assessment	Proportion- comparisons, unitary method Algebra - Coordinates and midpoints, equation of a straight line. Geometry – transformations (reflection and translations) Numeracy – Index Laws and further number sense	Y7 Summer Quintile Exam
MFL (French)	To be, to have, to do Describing how you are, what you have, what you do Present tense of ER verbs Masculine and feminine articles Adjectival agreement	KO in-class assessment	To be, to have, to do (full paradigm) Describing how others are, what they have, what they do Present tense of ER verbs Possessive articles Adjectival agreement	KO in-class assessment	To go (full paradigm) Asking and answering questions Using negations Masculine and feminine articles Adjectival agreement	Y7 Summer Quintile Exam
Music	Music and Me Keyboard Skills and performance.	KO in-class assessment	Samba Instruments of the Orchestra	KO in-class assessment	Instruments of the Orchestra -Creative Task Reggae	KO in-class assessment
PSHE	Diversity Prejudice Self-esteem Relationships and romance	KO in class assessment	Relationships and consent Family life Dealing with change Puberty	KO in class assessment	Personal hygiene Sleep Healthy lifestyle Substances and your body Substances and the law Basic life support	KO in class assessment
Physical Education	Induction program, Fitness, Netball, Football, Rugby, Dance, Badminton	Know /Show /Octo strands in class assessment	Spring Fitness, Netball, Football, Rugby, Dance, Badminton Summer Cricket, Athletics, Volleyball, Tennis/Pickleball, Rounders			Know /Show /Octo strands in-class assessment
Religious Studies	Buddhism, history, beliefs and practices.	KO in-class assessment	Hinduism, history, beliefs and practices.	KO in-class assessment	The Abrahamic faiths, similarities and differences in beliefs, teachings and practices.	KO in-class assessment

Science	Intro to science: Energy: Energy Transfers, Matter, Cells, Electricity and magnetism, Analysis, Organisation; Movement and Breathing	KO in-class assessment	Forces: Resultant forces Periodic Table, Reproduction Waves: Light and Sound Reactions: acids, alkalis, and Redox.	KO in-class assessment	Variation and Classification Rocks and Earth Ecology, Space	Y7 Summer Quintile Exam
----------------	--	------------------------	---	------------------------	---	-------------------------

Year 08

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
Art & Design	Art from other Cultures... Paint and Printmaking	KO in-class assessment	Sweet Treats – Paint and 3D modelling	KO in-class assessment	“Change the Style” - looking at artists' work and using mixed media	KO in-class assessment
Computing	Python programming, data representation using binary numbers	Y8 Autumn Quintile Exam	Python programming, computer hardware	KO in-class assessment	Physical computing with Micro: bit computers	Y8 Summer Quintile Exam
Design Technology	Product Design Card modelling shelter project. <i>Rotations between Product Design and Food Technology.</i>	KO in-class assessment	Product Design – lamp project. <i>Rotations between Product Design and Food Technology.</i>	KO in-class assessment	Food – kebabs, chicken Kyiv, Scotch eggs, lasagna, bread rolls, pizza, decorated shortbread, pasties, Swiss rolls.	KO in-class assessment
Drama	Ancient Greek Theatre.	KO in-class assessment	Scripted work using Romeo and Juliet and Macbeth.	KO in-class assessment	Developing character skills and questioning skills to solve a fictional crime.	KO in-class assessment
English	The Giver- Summarising and comparing ideas. Transactional writing- Letters	Y8 Autumn Quintile Exam YBM Tasks	Poetry From Diverse Cultures- Exploring ideas and poetic devices. Transactional writing: the art of rhetoric- speech writing	KO in-class assessment	Noughts and Crosses- Comparing ideas and views; evaluating themes. Creative writing: building a scene	KO in-class assessment YBM Tasks Y8 Summer Quintile Exam
Geography	Rivers. Migration.	Y8 Autumn Quintile Exam	Development. Weather.	KO in-class assessment	Climate and climate change.	Y8 Summer Quintile Exam
History	Civil War in England in the 1600s. British Empire.	Y8 Autumn Quintile Exam	Black and British – what was it like? Changes in medicine in the Industrial period.	KO in-class assessment	Political changes for people in Britain. Suffragettes.	Y8 Summer Quintile Exam
Mathematics	Geometry – Angles in polygons, area and perimeter	Y8 Autumn Quintile Exam	Algebra – Sequences	KO in-class assessment	Geometry – 3D shape properties including	Y8 Summer Quintile Exam

	Number – significant figures, fractions with mixed numbers Algebra – Further solving equations and intro to inequalities		Ratio and Proportion – direct and inverse, further ratio problem solving Statistics – Data Handling Cycle, averages and spread of data. Probability – intro Algebra – Linear Graphs, manipulation, and brackets		volume and surface area, congruence, and similarity Constructions and loci, further transformations (enlargements and rotations), Intro to Circles Numeracy- Mastering skills	
MFL (French)	Future plans Modal verbs (want, can, must) Infinitive phrases Gender and its impact	Y8 Autumn Quintile Exam	Review of to be, to have Present tense Past tense of ER verbs Gender and its impact	KO in-class assessment	Irregular verbs (IR verbs) in the present tense (full paradigm) Infinitive phrases Gender and its impact	Y8 Summer Quintile Exam
Music	The Blues -chords, improvisation Performance	KO in-class assessment	The Planets -descriptive music	KO in-class assessment	Film Music	KO in-class assessment
PSHE	Attitudes to mental health Promoting emotional wellbeing Healthy coping strategies Body confident	KO in-class assessment	Tolerance Diversity Managing influences Gangs	KO in-class assessment	Consent and YPSI Contraception FGM Vaping Substances	KO in-class assessment
Physical Education	Autumn/Spring -Fitness, Football, Rugby, Netball, Dance, Badminton, Handball. Summer- Cricket, Athletics, Volleyball, Tennis/Pickleball, Rounders					Know /Show /Octo strands in class assessment
Religious Studies	Philosophy: Investigating questions about existence, reality, and the origins of the universe through religious, philosophical, and empirical theories of creation.	Y8 Autumn Quintile Exam	Exploring how people make moral decisions by examining ethical theories, thought experiments such as the Trolley Problem, and contemporary issues	KO in-class assessment	Crime and Punishment: Exploring religious and ethical perspectives on crime, justice, punishment, and forgiveness, including debates about prison,	Y8 Summer Quintile Exam

			including euthanasia and abortion.		capital punishment, and rehabilitation.	
Science	Energy transfer, Heating & Cooling, States of matter, Organisation, and digestion Health, Analysis; mixtures and formulations, Forces	Y8 Autumn Quintile Exam	Bioenergetics; photosynthesis and respiration, Electricity and magnetism Inheritance and Evolution Energy Changes, Periodic Table	KO in-class assessment	Inheritance and Evolution, Waves, Properties Reactions: acids, alkalis and Redox. Earth's resources: Earth, the Universe, ecological investigation	Y8 Summer Quintile Exam

Year 09

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
Art & Design	Portraits – drawing, mark making and mixed media	KO in-class assessment	Street Art – Collage, Paint and Stencils	KO in-class assessment	Perspective and Painting – Grant Haffner	KO in-class assessment
Computing	Spreadsheets using Microsoft Excel and modern issues surrounding computers	Y9 Autumn Quintile Exam	Game development using Python and PyGameZero	KO in-class assessment	How Computers Affect Society – AI, Big Data, Autonomous Vehicles	Y9 Summer Quintile Exam
Design Technology	Product Design – Pewter casting keyring <i>Half termly rotation between Product Design and Food</i>	KO in-class assessment	Food – fajitas, curry and naan bread, fruit tart, rough puff pastry products, profiteroles, focaccia, lemon meringue pie, quiche, cheesecake with homemade biscuits. <i>Half termly rotation between Product Design and Food</i>	KO in-class assessment	Product Design – STEM challenge. <i>Half termly rotation between Product Design and Food</i>	KO in-class assessment
Drama	Devising the original theatre from a poem.	KO in-class assessment	Lighting design, sound design, set design, costume design for performance.	KO in-class assessment	Directing, designing, and performing a script.	KO in-class assessment
English	The Woman in Black- Summary writing, comparing skills and evaluating ideas. Transactional writing: travel writing	KO in -class assessment YBM Tasks Y9 Autumn Quintile Exam	Macbeth- essay writing skills: thesis, formulating arguments. Creative writing: character perspective/viewpoint	KO in -class assessment YBM Tasks	An Inspector Call and Spoken Language introduction: GCSE skills preparation and revisit of key stage 3 skills	KO in-class assessment YBM Tasks Y9 Summer Quintile Exam
Geography	Volcanoes. Middle East	Y9 Autumn Quintile Exam	Ecosystems		Resources	Y9 Summer Quintile Exam
History	Causes of World War One World War One and the impact on home and abroad.	Y9 Autumn Quintile Exam	The impact of the Treaty of Versailles and life in Germany		American economy and society 1920-1930	Y9 Summer Quintile Exam

			Rise of the Nazis Holocaust			
Mathematics	Geometry– Intro to Pythagoras, sectors and arcs, bearings, and further constructions Intro to trigonometry Ratio and Proportion – combining ratios, changing ratios Algebra – straight line graphs mastering	Y9 Autumn Quintile Exam	Algebra – Expand, factorise, form, and solve expressions and equations Compound Measures Number – Product of primes and Venn diagrams Statistics – Data sampling Algebra - Changing the subject of a formula, further graphs, parallel and perpendicular lines		Ratio and Proportion – Simple and compound interest Geometry – further angle problem solving Probability – calculating Geometry – vectors, all transformations	Y9 Summer Quintile Exam
MFL (French)	Start of the journey to routinize the 3 tenses and developed ideas using complex language Past, present, future Comparisons	Y9 Autumn Quintile Exam	Extending knowledge of the perfect tense (irregular verbs); extending knowledge of infinitive phrases (immediate future tense and modal verbs)		Extending knowledge of verbs in the present tense, negation, feminisation of nouns/adjectives, use of the infinitive	Y9 Summer Quintile Exam
Music	Video Game Music	KO in-class assessment	Performing Skills	KO in-class assessment	Music Project – GCSE style composing or performing	KO in class assessment
PSHE	Reframing negative thinking Influence Substances - risks	KO in-class assessment	Gambling – risks Managing conflict Exploring identities Friendship	KO in-class assessment	Bullying and cyberbullying Pornography and relationships STIs Government and democracy Criminal justice	KO in class assessment

Physical Education	Fitness, Football, Rugby, Netball, Dance, Badminton, Handball.	Know /Show /Octo strands in class assessment	Fitness, Football, Rugby, Netball, Dance, Badminton, Handball.	Know /Show /Octo strands in class assessment	Cricket, Athletics, Volleyball, Tennis/Pickleball, Rounders	Know /Show /Octo strands in class assessment
Religious Studies	Christian Beliefs: Investigating the fundamental beliefs of Christianity through teachings about God, creation, Jesus Christ, salvation, and life after death.	Y9 Autumn Quintile Exam	Christian Practices: Investigating how Christian beliefs are expressed through worship, prayer, pilgrimage, festivals, and the Church's work in the world.	KO in-class assessment	- Islamic Beliefs: Investigating Islam's core beliefs through teachings about Allah, prophethood, revelation, angels, predestination, and the afterlife. - Islamic Practices: Investigating how Islamic beliefs are lived out through worship, devotion, and community life, including the Five Pillars and key festivals.	Y9 Summer Quintile Exam
Science - Biology	B1 Cells- cell structure, types of cells and microscopy B2 Organisation - Digestive system and enzymes, respiratory and circulatory systems and blood	Y9 Autumn Quintile Exam	B3 Infection and response- health, pathogens and disease, human body defences B4 Bioenergetics- photosynthesis and leaf structure, aerobic respiration	KO in-class assessment	B5 Homeostasis and Response - what is homeostasis, nervous system, hormones in reproduction B7 Ecology- ecosystems, ecological surveys	Y9 Summer Quintile Exam
Science - Chemistry	States of matter, atoms, elements, compounds, molecules and mixtures, Periodic table and	Y9 Autumn Quintile Exam	Earth's atmosphere, organic chemistry, chemical analysis	KO in-class assessment	Chemical analysis, Group chemistry	Y9 Summer Quintile Exam

	electron structure, Earth's atmosphere					
Science - Physics	Energy, Energy stores and systems. Waves; observing waves in liquids. Waves; electromagnetic waves. Particle model of matter; changes of state, density.	Y9 Autumn Quintile Exam	Atomic structure and radiation; discovery of the atom; Electricity; circuit symbols; Electricity; building circuits and resistance.	KO in-class assessment	Forces: contact and non-contact forces, elasticity. Magnetism; magnetic fields; Space; solar system	Y9 Summer Quintile Exam

Year 10

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
Art & Design	Still Life – Painting, Mixed Media. Artist contextual studies	AQA assessment objectives	Still Life – Painting, Mixed Media. Artist contextual studies	GCSE Mock Exam	Cultural Project: Pattern And Printmaking.	AQA assessment objectives
Business Studies	Small Businesses Entrepreneurship Market research & segmentation Finance	KO in-class assessment	Small Businesses Ownership Marketing Mix Stakeholder External Influences	GCSE Mock Exam	Large Businesses Marketing mix	KO in class assessment
Child Development	Physical, intellectual, and social developmental norms for ages 1 to 5. Stages and types of play benefit development. Plan and evaluate play activities for a child aged one to five years.	RO59 coursework assignment	Physical, intellectual, and social developmental norms for one to five years. Stages and types of play benefit development. Plan and evaluate play activities for a child aged one to five years.	RO59 coursework assignment	RO57 Preconception of health and reproduction.	KO in-class assessment
Computer Science	Programming using Python, Algorithms	KO in-class assessment	Data Representation and Networks	GCSE Mock Exam	Relational Databases and Python programming	KO in-class assessment
Digital Info Tech	User Interfaces and accessibility	Mock coursework task	User Interfaces and accessibility, modern technologies theory	Unit 1 coursework assignment, mock exam	Cyber security threats and protection, spreadsheet practice	Mock coursework task
Drama	Introduction to key people in Theatre, and their methods of working.	KO in-class assessment	Scripted performance work.	GCSE Mock - practical assessment.	Devising from a stimulus.	Coursework
Engineering	Engineering introduction projects, producing engineering drawings and materials theory.	KO in-class assessment	Ongoing development of materials theory and practical skills.	GCSE Mock Exam	Wider production knowledge continued to develop practical skills.	Ass. Of practical skills work and

						longer exam questions.
English Language	Paper 2: Comparing Writers' Viewpoints and Transactional Writing	KO in-class assessment YBM Tasks	Paper 2: Comparing Writers' Viewpoints and Revision of the Mock exams	KO in-class assessment BM Tasks GCSE Mock Exam	Spoken Language Paper 1 Question 5: Creative Writing	KO in class assessment YBM Tasks
English Literature	An Inspector Calls A Christmas Carol	KO in-class assessment YBM Tasks	A Christmas Carol Power and Conflict Poetry	KO in class assessment YBM Tasks GCSE Mock Exam	Power and Conflict Poetry	KO in-class assessment YBM Tasks
Enterprise	Market Research Market Segmentation Design Mix	Ongoing RO68 assessment	Finance Risks and Challenges of a design	Ongoing RO68 & in-class assessment	Promotion Designing a promotional campaign	Ongoing RO69 assessment
Food & Nutrition	Nutrition – macro and micronutrients, specific dietary needs.	KO in-class assessment	Food Science - functional and chemical properties of ingredients. Mock NEA 2	GCSE Mock Exam	Food Hygiene and safety, factors affecting food choice.	GCSE Mock coursework with mock 3-hour practical.
Geography	Urban: Rio de Janeiro and London.	KO in-class assessment	Economic World.	GCSE Mock Exam	Coast. Rivers.	
History	America, Opportunity, and Inequality (AQA) - Post-War America	KO in-class assessment	Conflict and Tension in Asia - Korean War - Vietnam War	GCSE Mock Exam	Britain, Health, and the people - Medieval and Renaissance medicine	
Mathematics	Higher & Foundation: Number – Fractions, decimals, and percentages. Bounds and Truncation. Indices and Standard form. Geometry – Quadratic, cubic and other graphs.	KO in-class assessment	Higher: Algebra – Parallel and perpendicular lines. Solving Simultaneous equations and Inequalities. Geometry – Pythagoras' theorem and Trigonometry.	GCSE Mock Exam – full set of papers	Higher: Statistics – Data collection and representation, including sampling. Probability – revision of tree diagrams and conditional probability. Venn diagrams and set notation.	KO in class assessment

	Higher: Algebra – expanding, factorising, identities, and quadratics. Foundation: Algebra – manipulation, including forming and solving equations, substitution, and rearranging.		Similar shapes and Transformations. Foundation: Geometry – Vectors, Sectors. Perimeter, area, and volume. Pythagoras' theorem and Trigonometry. Statistics – Data collection. Averages from frequency tables.		Geometry – Plans, elevations, construction, and loci. Scale drawings and bearings. Foundation: Geometry – Transformations Probability – revision Statistics – Data collection and representation, including scatter graphs. Algebra – Quadratic expressions including factorising and solving.	
Media Studies	Quality Street and NHS 111 Film Marketing (James Bond)	YBM KO in-class assessment	Newspapers (The Sun and The Guardian) Magazines (Vogue and GQ)	YBM KO in-class assessment GCSE Mock Exam	Video Games and Radio (Fortnite and Desert Island Disks) NEA Prep	YBM KO in-class assessment
MFL (French)	Learning to upskill and extend your knowledge of vocabulary and grammar in order to communicate in a structured and sophisticated way Identity and relationships Healthy lifestyle Free time activities	Fortnightly vocabulary tests	Free time activities Customs, festivals, celebrations Education and work	GCSE Mock Exam	Education and work Celebrity culture	
Music	The Elements of Music Workshop with professional musicians	KO in-class assessment - listening and practical tasks	Area of Study 1 -Musical Form and Devices Western Classical Music Introduction to set work “Badinerie” Music for Ensembles- chamber music, jazz, music theatre	GCSE Mock Exam	Area of Study 3 Film Music Area of Study 4 Pop Music Introduction to set work “Africa” Free Composition	KO in class Assessment - listening and practical tasks

Physical Education	The skeletal system The muscular system The cardiovascular system The respiratory system Aerobic and anaerobic exercise	KO in class as Assessment Practical performance assessment	Aerobic and anaerobic exercise The effects of exercise on the body Movement analysis Components of fitness Fitness testing Principles of training	GCSE Mock Exam Practical performance assessment	Complete a performance analysis and evaluate how to improve performance	KO in class assessment Practical performance assessment
PSHE					Promoting emotional wellbeing Recognising mental ill-health Cancer Influences – drugs and alcohol Contraception Unhealthy relationships Exploring relationships Families	KO in class assessment
Product Design	Core Theory and Timber theory. Upskilling on key practical skills.	KO in-class assessment.	Core Theory and Timber theory. Introduction to NEA in advance of Year 11. Upskilling on key practical skills.	GCSE Mock Exam	Core Theory and Timber theory. Upskilling on key practical skills. Introduction to GCSE NEA context when released by Edexcel (June)	In-class assessments and Mock NEA.
Psychology	Development and Memory	Fortnightly extended writing	Research Methods and Perception	GCSE Mock Exam	Mock feedback, Perception and Language, thought and communication	Fortnightly extended writing
Religious Studies	Families and Relationships: Investigating questions about family life, marriage, relationships, and equality through religious teachings and contemporary ethical	GCSE Mock Exam	Social Justice, Peace and Conflict: Investigating questions of justice, equality, peace, and human rights through religious teachings and contemporary issues, including poverty,	Terminal GCSE Exam		

	issues, including divorce and sexuality.		discrimination, war, and reconciliation.			
BTEC Sport	Different types of sport and physical activity. Sports providers and National Governing Bodies (NGBs). Benefits of participation.	Ongoing internal assessment	Barriers to participation and how to overcome them. Sports equipment, facilities, and technology. Planning and delivering effective warm-ups.	Ongoing internal assessment	Components of physical and skill-related fitness. Rules, regulations, and officials in sport. Practical participation in sport.	Ongoing internal assessment
Science - Biology	B1 Cells- stem cells, cell cycle and cell transport. B2 Organisation- enzymes, cardiovascular diseases	KO in-class assessment	B3 Infection and response- health risk factors, vaccines and drug development. B4 Bioenergetics- limiting factors of photosynthesis, anaerobic respiration	GCSE Mock Exam	B5 Homeostasis and Response- Endocrine system, blood glucose control. B7 Ecology- human impacts on ecosystems	
Science - Chemistry	Structure and bonding, Quantitative chemistry, atomic structure	KO in-class assessment	Chemical changes Metal reactivity and acids, electrolysis, energy changes in chemistry	GCSE Mock Exam	The rate and extent of chemical change. Equilibria	
Science - Physics	Forces; velocity equations. Electricity; Electrical power; the national grid. Magnetism; solenoid	KO in-class assessment	Energy transfers and systems. Particle model of matter; Temperature changes in a system	GCSE Mock Exam	Atomic structure; radiation, Waves – Infrared absorption; space physics	
Travel & Tourism	Travel and Tourism key concepts Ownership Travel and Tourism organisations working together Consumer Technology	Component 1 ongoing assessment	Visitor destinations Travel & tourism destinations Popularity of different destinations Modes of transportation	Component 1 and in-class assessment	Market Research Customer needs Travel and Tourism trends	Component 2 ongoing assessment

Year 11

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
Art & Design	Cultural Project: Pattern And Printmaking.	GCSE Mock Exam	Terminal GCSE exam Preparation	AQA assessment objectives	Terminal GCSE exam Preparation	Terminal GCSE Exam
Business Studies	Large businesses Growth Globalisation Production Human Resources Finance	GCSE Mock Exam	Large businesses Business ethics Finance Theme 1 revision Theme 2 revision	GCSE Mock Exam	Theme 1 revision Theme 2 revision	Terminal GCSE Exam
Child Development	Physical, intellectual, and social developmental norms for ages 1 to 5. Stages and types of play benefit development. Plan and evaluate play activities for a child aged one to five years.	RO59 coursework assignment	Plan and evaluate play activities for a child aged one to five years. Antenatal care and preparation for birth Postnatal checks, postnatal care, and the conditions for development. Childhood illnesses and a child-safe environment	RO59 coursework assignment KO in-class assessment	RO57 revision	Terminal GCSE Exam
Computer Science	Computer systems – hardware and software, cyber security	GCSE Mock Exam	Ethical and legal issues, programming practice	KO in-class assessment	Revision	Terminal GCSE Exam
Digital Info Tech	Spreadsheet data processing methods and producing data summaries, data collection methods	Unit 2 coursework assignment	Data Protection, forms of notation	Unit 3 mock exam	Revision	Terminal GCSE Exam
Drama	Devising original theatre from a stimulus.	GCSE comp. 2 final assessments.	Performing a script.	GCSE final practical exam.	Exam preparation – live theatre review and revision.	Terminal GCSE Exam

Engineering	Unit 1 FINAL Assessment - Manufacturing engineering products (40%)	GCSE Mock Exam	Unit 2 FINAL Assessment - Designing engineering products (20%)	Unit 2 Final assessment	Unit 3 – Exam prep – Solving engineering problems (40%)	Terminal GCSE Exam
English Language	Paper 1 Reading Skills	KO in-class assessment YBM Tasks GCSE Mock Exam	Revision of Both Papers	KO in-class assessment YBM Tasks	Revision	Terminal GCSE Exam
English Literature	Unseen Poetry Romeo and Juliet Part 1	KO in-class assessment YBM Tasks GCSE Mock Exam	Romeo and Juliet Part 2 Revision	KO in-class assessment YBM Tasks	Revision	Terminal GCSE Exam
Enterprise	Completing a promotional campaign pitch Evaluating your promotional campaign	RO69 assessment	Characteristics, risks and rewards Market Research Finance Marketing Mix Factors to consider when setting up a business	RO67 Mock Exam	RO67 Revision	Terminal GCSE Exam
Food & Nutrition	NEA 1 (15%) - food investigation to investigate the functional and chemical properties of ingredients.	GCSE Mock Exam + NEA 1	NEA 2 (35%) – Food preparation assessment including research, planning, preparation, cooking and presentation of food.	NEA 2 inclusive of - 3-hour practical exam	GCSE revision for upcoming exams – past papers.	Terminal GCSE Exam
Geography	Atmospheric hazards. Tectonic hazards.	GCSE Mock Exam	Pre-release fieldwork.			Terminal GCSE Exam
History	Britain, Health, and the People - Industrial and Modern Medicine	GCSE Mock Exam	Elizabethan England			Terminal GCSE Exam
Mathematics	Higher:	GCSE Mock Exam	Higher:		GCSE revision for upcoming exams – past papers	Terminal GCSE Exam

	Geometry – Sectors, 3D shapes, further trigonometry, and transformations including graphs. Algebra – Rearranging formulas, algebraic fractions, quadratics, and functions. Number – Proportion Foundation: Number – Ratio and proportion Algebra – Equations, formulae and inequalities, sequences, linear graphs, and coordinate geometry. Simultaneous equations. Geometry – Pythagoras' theorem and Trigonometry. Angles, scale drawings, and bearings.	(November)	Algebra – Iteration, recurrence, relations, and proof. Geometry – Vectors, Circle theorems, and geometry Revision – GCSE past paper practice Foundation: Revision – GCSE past paper practice			
Media Studies	NEA (Coursework)	YBM KO in-class assessment GCSE Mock Exam	Sitcoms (Modern Family and FRIENDS) Music videos (Stormzy, Lizzo and TLC)	YBM KO in-class assessment	Revision	Terminal GCSE Exam
MFL (French)	Travel and tourism Media and technology	Speaking mock exam (January)	Environment and where people live	GCSE mock exam (reading, listening, writing paper)	Speaking exam practice Past paper practice Review of sentence builders	Terminal GCSE Exam

Music	Performance Recording Set Work – Badinerie Start Brief Composition Revision	Performing coursework GCSE Mock Exam	Brief Composition Set Work -Africa Revision	Coursework - performing and composing	Revision	Terminal GCSE Exam
Physical Education	Sports psychology Classification of skills Goal setting and motivation. Guidance and feedback. Mental preparation for performance.	GCSE Mock Exam	Participation in sports and physical activity. Commercialisation of sport Ethical issues in sport. Health, fitness, and well- being. Diet, nutrition, and hydration.	GCSE final practical exam. GCSE mock exam	Revision	Terminal GCSE Exam
PSHE			Exam stress Importance of sleep Managing influence – festivals Basic life support		Sexual health: STIs Extremism Divisive language	
Product Design	NEA – Investigate, design, make and evaluate from a choice of given briefs.	GCSE Mock Exam	NEA – Investigate, design, make and evaluate from a choice of given briefs.	NEA	Revision past paper practice.	Terminal GCSE Exam
Psychology	Social influence and Brain and Neuropsychology	Fortnightly extended writing and GCSE Mock Exam	Psychological problems	Fortnightly extended writing and GCSE Mock Exam	Revision past paper practice Review of named studies and core theories	Terminal GCSE Exam
BTEC Sport	Techniques, tactics, and strategies. Coaching and improving performance.	Ongoing internal assessment	Fitness training principles Training methods. Fitness testing and interpreting results. Exercise intensity and training zones Designing fitness programs Motivation and goal setting	Component 3 Mock Exam	Exam Preparation	Terminal GCSE Exam
Science - Biology	B6 Reproduction, variation, inheritance, and evolution; DNA, B6 Reproduction, variation,	GCSE Mock Exam	B7 Ecology; Mock preparation, Required Practical revision		Exam Preparation	Terminal GCSE Exam

	inheritance, and evolution; Antibiotic resistance					
Science - Chemistry	Organic Chemistry. Analysis: chromatography and gas tests. Review of quantitative, structures and bonding, and chemical changes. Chemistry of the atmosphere.	GCSE Mock Exam	Chemistry of the atmosphere. Using Resources		Exam Preparation	Terminal GCSE Exam
Science - Physics	Energy: stores and transfers; electricity; resistance. Particle model of matter. Atomic structure; radiation and decay equations	GCSE Mock Exam	Forces: $F=ma$ and momentum; magnetism and electromagnetism. Waves; properties of waves and radio waves		Exam Preparation	Terminal GCSE Exam
Travel & Tourism	Customer needs Types of travel; travel planning	Component 2 Assessment	Factors influencing global Travel & Tourism Responding to factors affecting Travel & Tourism Sustainability within Travel & Tourism Tourism development	Component 3 Mock Exam	Component 3 revision	Terminal GCSE Exam

Year 12

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
A-Level Art & Design: Fine Art (AQA)	Packaging Mini Project Structures: Man-made and Organic	AQA assessment objectives	Structures: Man-made and Organic	AQA assessment objectives	Personal Investigation Year 13 prep	Progression Examination
A-Level Biology (AQA)	Biological molecules- carbohydrates, lipids, proteins, enzymes, nucleic acids Cells- structure and transport across membranes	Weekly quizzes End of topic assessments Practical endorsement RP1, 2, 3 & 4	Exchange- gas exchange and exchange surfaces, absorption of the products of digestion Mass transport in animals and plants DNA, genes and protein synthesis Genetic diversity and biodiversity	Weekly quizzes End of topic assessments Progression Examination	Populations in Ecosystems Gene technology	Practical endorsement RP 5, 6, 12
A-Level Business (Edexcel)	1.1 Meeting customer needs 1.3 Marketing mix & strategy 1.4 Managing people 1.5 Entrepreneurs and leaders	End of topic in-class assessments	4.1 Globalisation 4.2 Global markets & business expansion 4.3 Global marketing 4.4 Global industries and companies 1.2 The Market	End of topic in-class assessments	2.4 Resource management 2.5 External influences 3.1 Business objectives & strategy 3.2 Business growth	Progression Examination
A-Level Chemistry (AQA)	Physical chemistry: atomic structure, amount of substance. Bonding. Oxidation, reduction, and redox equations. Inorganic: Periodicity. Trends in properties of period 3. Organic:	In-class assessment 1. Practical endorsement RP1 and 2	Physical: Energetics. Kinetics. Inorganic: Periodicity, group2, group7. Organic: Alkenes, alcohols, organic analysis	In-class assessment 2. Practical endorsement RP 3,4,5,6. Progression examination	Physical: K _p , Chemical equilibria, Le Chatelier's principle. Kinetics: rate equations, Arrhenius equation. Inorganic: periodicity, reactions of P3 Acids and bases Water of crystallisation Organic: Optical isomerism, Aldehydes, and ketones.	Practical endorsement RP7a and b Second chance examination In-class assessment 3.

	Introduction to organic chemistry, alkanes, halogenoalkanes				Review of reaction conditions, mechanisms, organic synthesis routes, and spectroscopic techniques.	
A-Level Computer Science (AQA)	C# and Object-Oriented Programming, Data Representation, and networks	End of Topic in class assessment	Data Structures, Windows Forms, Computer Systems and Relational Databases	End of Topic in class assessment	Big Data, Ethical and Legal issues, NEA	Progression Examination
AAQ Data Analytics (OCR)	Fundamentals of Data Analytics and Spreadsheet Data Modelling	End of Topic in class assessments	Fundamentals of Data Analytics and Spreadsheet Data Modelling	Terminal Unit exam (F200) and coursework (F202)	Big Data and Machine Learning, Data Visualisation	End of topic in-class assessments
A-Level Design Technology: Product Design (AQA)	Wood, metals, polymers, CAD, and CAM. Application of tools.	End of topic in-class assessments	Design movements, composites, papers, boards, and textiles. Application of tools.	End of topic in-class assessments.	SMART materials and process of production. Information handling. Application of tools.	Progression Examination
A-Level English Language (Edexcel)	Paper 1 Section A: Language and Identity Paper 2: Child Language	YBM Tasks End of unit assessment	Paper 1 Section A: Language and Identity Paper 3: Language and Gender Paper 2: Child Language	YBM Tasks End of unit assessment	Paper 3: Language and Gender Paper 3: Language and Power NEA	YBM Tasks End of unit assessment Progression Examination
A-Level English Literature (Edexcel)	T1: Unseen Poetry T2: PODG/Beloved	YBM Tasks End of unit assessment	T1: Othello T2: PODG/Beloved	YBM Tasks End of unit assessment	T1: Othello/Unseen Poetry T2: PODG/Beloved and NEA intro	YBM Tasks Progression Examination
A-Level French (AQA)	Family Technology Volunteering Heritage Film and literature study (La Haine and Kiffe Kiffe Demain)		Music Cinema Film and literature study (La Haine and Kiffe Kiffe Demain)	Paper 1 mock examination	DIRT from assessment Topic revision Literature and film study	Progression Examination
A-Level Further Mathematics (OCR MEI)	Matrices & Transformations Sequences & Series	Integral Online Tests	Algorithms Graphs, Networks, Network Algorithms	Mock Exam	Differentiation Rules Inverse of a 3x3 Matrix Summing Series	Terminal AS-Level Examination

	Matrices & their Inverses (including intersections of planes) Intro to Complex Numbers Roots of Polynomials Complex Numbers & Geometry Vectors and 3D Space		Further Network Problems Linear Programming Simplex Reformulating NPs as LPs Kinematics Forces & Motion A Model for Friction Moments of Forces Work, Energy, Power Impulse & Momentum Centres of Mass Dimensional Analysis		Integration Rules	which also serves as Progression Examination
A-Level Geography (AQA)	Changing places Coasts		NEA skills Hazards		NEA skills Hazards	Progression Examination
A-Level History (AQA)	Henry VII and the beginning of the Tudors President Truman		Henry VIII President Eisenhower		Henry VIII continued President Kennedy NEA (Russia)	Progression Examination
A-Level Mathematics (Edexcel)	Surds & Indices Quadratic Functions Polynomials Equations & Inequalities Coordinate Geometry Graph Transformations Integration Differentiation Trigonometry	End of topic in class assessments	Exponentials & Logarithms Binomial Expansion Data Collection Vectors Data Processing, Presentation, Interpretation Proof Probability	End of topic in-class assessments	Kinematics Binomial Distribution Forces & Newton's Laws Hypothesis Testing Variable Acceleration Trigonometry (Radians) Sequences & Series	Progression Examination
A-Level Media Studies (WJEC)	T1: Tide, Super. Human T2: Assassin's Creed, Kiss of The Vampire	YBM Tasks End-of-topic in-class assessments	T1: Newspapers (Times, The Mirror), Music videos T2: Radio (Woman's Hour)	YBM Tasks End of topic in-class assessments	T1: Film (Black Panther, I Daniel Blake) T2: NEA	YBM Tasks End-of-topic in-class assessments Progression Examination
A-Level Physical Education (AQA)	Paper1: Cardiovascular system, respiratory system		Paper 1: Neuromuscular system Musculoskeletal system and movement analysis.		Paper 1: Energy systems Information processing Sociological theory applied to equal opportunities.	Progression Examination

	Skill classification, impact on learning, guidance, and feedback. Preindustrial, industrial and post-industrial sport.		Theories of learning and memory models. Post-World War sport and influences		NEA- Written coursework and practical analysis	
A-Level Physics (AQA)	Introduction to Physics skills and Practical Physics Paper 1: Electricity Waves	End of topic assessments	Paper 1: Mechanics and materials Particles and radiation	Year 12 progress exams	Paper 2: Gravitational fields Simple harmonic motion	End of topic exams
A-Level Politics (Edexcel)	UK Politics (pressure groups and parties) UK Constitution and Parliament		UK Politics (electoral systems and media) UK Executive and relations between branches		Ideologies – conservatism, liberalism, socialism and feminism	Progression Examination
A-Level Psychology (AQA)	Clinical psychology and mental health, Approaches, Research methods and Attachment.	In-class assessment of exam questions.	Research methods, Attachment and Memory.	Progression exam and class exam questions.	Bio Psychology and Social influence	In-class assessment of exam questions.
A-Level Religious Studies (OCR)	Exploring philosophical and ethical questions about reality, human nature, and morality through Plato's Theory of Forms, Augustine's teachings on human nature and evil, and Natural Law ethics.	A-level exam questions.	Exploring philosophical arguments for the existence of God, the identity and significance of Jesus Christ, and ethical decision-making through Situation Ethics.	A-level exam questions.	Investigating questions about how salvation is achieved, whether the existence of evil challenges belief in God, and how to make moral decisions through the study of Christian theology, the problem of evil, and the Categorical Imperative.	Progression Examination
A-Level Sociology (AQA)	Theories of the family and education Social policy and family Educational achievement and social groups	A-level exam questions	Changing family patterns Gender roles and relationships Government policy and Education Education: the research context	Progression examination	Childhood Demography Sociological research methods	A-level exam questions

AAQ Health & Social Care (OCR)	FO90: Principles of health and social care FO92: Person-centred approach to care	FO90: Topics 1 and 2 end-of-topic test FO92 Coursework for all tasks	FO90: Principles of health and social care FO93: Supporting people with mental health conditions	FO90: External Exam FO93: Coursework for all tasks	FO96: Supporting people in relation to sexual health, pregnancy and postnatal Health	FO96: Coursework Task 1 and 2
BTEC Foundation Diploma in Business (Edexcel)	Unit 1 Exploring Business Unit 3 Personal & Business Finance	Unit 1 Coursework for learning aims A, B and E Unit 3 End of topic assessments	Unit 1 Exploring Business Unit 3 Personal & Business Finance Unit 2 Developing a Marketing Campaign	Mock examinations for Unit 1 and Unit 3	Unit 1 Exploring Business Unit 14 Investigating customer service	Unit 1 coursework for learning aim C & D Unit 14 coursework for learning aim C
BTEC Diploma in Business (Edexcel)	Unit 6 Leadership and Management	End of topic in-class assessments	Unit 6 Leadership and Management	Mock examination	Unit 5 International Business	Unit 5 learning aim A coursework
BTEC Foundation Diploma in Sport (Edexcel)	Unit 1 Anatomy and Physiology Unit 7 Practical Sports Performance Learning Aim A and B	End of topic test for D, E and C Unit 7 coursework LAA and LAB	Unit 1 Anatomy and Physiology Unit 7 Practical Sports Performance Learning Aim C and D Unit 4 Sports Leadership Learning Aim A and B	End of topic test for A and B plus Mock examination Unit 7 coursework LAC and LAD Unit 4 coursework LAA and LAB	Unit 4 Sports Leadership Learning Aim C and D Unit 10 Sports Event Organisation LAA, LAB, LAC and LAD	Unit 4 Coursework Learning Aims C and D Unit 10 Coursework All Learning Aims
BTEC National Diploma in Sport (Edexcel)	Unit 22: Investigating Business in Sport and the Active Leisure Industry Leadership Skills Foundation Level course	Unit 22: End-of-question tests 1 and 2 SL: Tasks 1, 2, 3	Unit 22: Investigating Business in Sport and the Active Leisure Industry Leadership Skills Foundation Level course	Unit 22: End-of-question tests 3 and 4; external exam SL: Task 5	Unit 10 Sports Event Organisation LAA LAB LAC and LAD Leadership Skills Foundation Level course	Unit 10 Coursework All Learning Aims SL: Task 4, 6
Level 3 AAQ in Food Science and Nutrition (WJEC)	Understand the properties of nutrients. Developing practical food skills.	Mock coursework and end of topic class assessments	Understanding the relationship of nutrients and the body. Plan, prepare, cook and present food items to	Mock examination and Unit 2 coursework.	Revision for Unit 1 exam.	Unit 1 final exam and Unit 2 coursework.

			meet the needs of a specific client.			
Level 3 Applied Diploma in Criminology (WJEC)	Unit 1 Changing awareness of crime	Unit 1 mock examination	Unit 2 Criminological theories	Unit 2 mock examination	Unit 2 Criminological theories Unit 3 Crime scene to courtroom	Unit 3 practice assignments
Extended Project Qualification (AQA)	Introduction to the specification, outlining the course requirements. Academic research and understanding of how to identify credible sources (developing key skills in preparation for university). Crafting an investigative and evaluative topic question.	Non-examination course- students will complete aspects of the course in accordance with deadlines set.	Completion of the first 2500 words of the project through monitored supervision and feedback. Continuation of the next 2500 words. Completion of the first draft of the 5000-word project. Begin preparing for their draft presentation.	Non-examination course: students will complete aspects of the course in accordance with deadlines set.	Receive feedback on the draft project submission. Complete a formal presentation on the project. Complete the final checklist for submission review and submit the final project.	Final Submission
Level 3 Certificate in Core Mathematics (OCR)	A Side: Use of spreadsheets, data collection, sampling, data representation and analysis. B Side: Exchange rates, inflation, AER, APR, mortgages, student loans, tax, national insurance and pension contributions, Fermi estimation.	In-Class Assessment – Paper 1 Diagnostic	A Side: Probability laws, tree diagrams, Venn diagrams, expectation, cost-benefit analysis. B Side: Critical path analysis, activity networks, Gantt charts, critical analysis. Terminal Examination Preliminary Material: Familiarisation and practice.	Mock Examination – Paper 1 and 2 Diagnostic	Ongoing revision of all course content and ongoing familiarisation and practice using preliminary materials.	Terminal AS-Level Examination

Year 13

SUBJECT	AUTUMN TERM	ASSESSMENT	SPRING TERM	ASSESSMENT	SUMMER TERM	ASSESSMENT
A-Level Art & Design: Fine Art (AQA)	Personal Investigation	Mock Examination	Terminal A-Level Examination Preparation	AQA assessment objectives	Terminal A-Level Prep and Final Piece	Terminal A-Level Examination
A-Level Biology (AQA)	Energy transfers in ecosystems and nutrient cycles Photosynthesis Respiration Response to stimuli: Nervous system Inheritance	Paper 1 Mock Examination Practical endorsement RP 7, 8, 9 & 10	Population genetics, evolution and speciation Homeostasis and control mechanisms Stem cells, gene mutation and epigenetics	Paper 2 and 3 Mock Examination Practical endorsement RP 11	Revision and essay preparation	Terminal A-Level Examination
A-Level Business (Edexcel)	3.3 Decision-making techniques 3.4 Influences on business decisions 3.5 Assessing competitiveness 3.6 Managing change 4.1 Globalisation 4.2 Global markets and business expansion 4.3 Global marketing 4.4 Global industries and companies	Mock Examination	Paper 3 research Revision for all themes	Paper 3 mock examination	Revision for all themes	Terminal A-Level Examination
A-Level Chemistry (AQA)	Physical: Acids, bases and alkalis. Thermodynamics. Energetics Inorganic: Transition metal chemistry. Organic: Aldehydes and ketones. Carboxylic acids and derivatives. Aromatic chemistry. Amines	In-class assessment. Mock Examination (Paper 1 and 2) Practical endorsement	Physical: Rate equations review. Aqueous ions. Electrode potentials and electrochemical cells Inorganic: Periodicity. Properties of period 3 elements and their oxides. The transition metals.	Practical endorsement RP8,11 and 12. In class, mock exam paper 3.	Revision of topics from physical, inorganic and organic chemistry. Timed practice of exam questions including multiple-choice style questions. Review of practical work.	Terminal A-Level Examination

	Polymers. Amino acids, proteins, and DNA. Organic synthesis.	RP9 ,10a and b	Reactions of ions in aqueous solution. Organic: Organic synthesis. Nuclear magnetic resonance spectroscopy, Chromatography.			
A-Level Computer Science (AQA)	NEA, Internal Architecture	Mock Examination	NEA, Functional Programming	End of Topic in class assessment	Revision	Terminal A-Level Examination
AAQ Data Analytics (OCR)	Big Data and Machine Learning, Data Visualisation	Terminal Unit exam (F201) and coursework (F205)	Data and Digital Marketing	End of Topic in-class assessments	Data and Digital marketing	Terminal Unit Exam (F206)
A-Level Design Technology: Product Design (AQA)	Designing a prototype	Mock Examination	Make a final prototype and evaluate the design and prototype.	Coursework	Revision for final exams.	Terminal A-Level Examination
A-Level English Language (Edexcel)	Paper 1 Section B: Language Change Paper 3: Language and Power and Language and Journalism NEA	YBM Tasks End of unit assessment Mock Examination	Paper 1 Section B: Language Change Paper3: Language Investigation Revision	YBM Tasks End of unit assessment	Revision	Terminal A-Level Examination
A-Level English Literature (AQA)	T1: Romantic Poetry T2: Streetcar/NEA	YBM Tasks In-class assessments, Mock Examination	T1: Romantic Poetry/Revision T2: Streetcar/NEA	YBM Tasks In-class assessments	Revision	Terminal A-Level Examination
A-Level French (AQA)	Benefits of a diverse society Marginalisation How criminals are treated Teenagers, the right to vote, political engagement Demonstrations and strikes	Mock Examination	Demonstrations and strikes Politics and immigration Film and literature study (La Haine and Kiffe Kiffe Demain)	Mock examination	Interleaved practice of exam skills and topics Film and literature study (La Haine and Kiffe Kiffe Demain)	Terminal A-Level Examination

	Film and literature study (La Haine and Kiffe Kiffe Demain)					
A-Level Further Mathematics (OCR MEI)	Matrices, Series, Differentiation Rules (done at the end of Y12) Sampling Methods & Statistics Discrete Random Variables Discrete Probability Distributions Bivariate Data Chi-squared Tests Further Calculus Maclaurin Series Hyperbolic Functions Applications of Integration	Mock Examination	1 st and 2 nd Order Differential Equations Complex Numbers Vectors 1 & 2 Polar Coordinates	End of Topic Assessments	Revision	Terminal A- Level Examination
A-Level Geography (AQA)	Global Systems and Global Governances Water and Carbon Cycle	Mock Examination	Population and the environment		Revision	Terminal A- Level Examination
A-Level History (AQA)	President Johnson and President Nixon Edward IV and Mary, I	Mock Examination	America after Nixon (Ford and Carter) Elizabeth I		Revision	Terminal A- Level Examination
A-Level Mathematics (Edexcel)	Trigonometry (Radians) Sequences & Series Trigonometric Functions Functions Differentiation Further Algebra (Binomial & Partial Fractions) Trigonometric Identities Parametric Equations Vectors Integration Numerical Methods	Mock Examination	Projectiles Kinematics Proof Friction Probability Moments Probability Distributions Forces & Motion Hypothesis Testing		Revision	Terminal A- Level Examination

	Differential Equations					
A-Level Media Studies (WJEC)	T1: NEA T2: TV (Peaky Blinders, The Bridge)	YBM Tasks Mock Examination	T1: Magazines (Huck and Women's Realm)	YBM Tasks In-class Exams	Revision	Terminal A-Level Examination
A-Level Physical Education (AQA)	Paper 2: Diet and nutrition, injury prevention, training methods. Sports Psychology Concepts of physical activity and sport, development of elite performers, ethics in sport, violence and drugs in sport. NEA- Written coursework and practical analysis	Mock Examination	Paper 2: Rehabilitation, Biomechanics Sports Psychology Sport and the law, commercialisation, role of technology NEA- Written coursework and practical analysis	In-class Exams	Consolidation of knowledge and writing skills through targeted revision lessons.	Terminal A-Level Examination
A-Level Physics (AQA)	Paper 2: Nuclear Physics Electric fields Capacitors Magnetic fields	Mock Examination	Paper 2: Thermal physics Paper 3: Astrophysics		Revision	Terminal A-Level Examination
A-Level Politics (Edexcel)	US Constitution and Congress US Democracy and participation (political parties and electoral system)	Mock Examination	US presidency US Democracy and participation (Supreme Court)		Revision	Terminal A-Level Examination
A-Level Psychology (AQA)	Issues and debates, Gender, Research methods and Forensics.	Mock Examination and in-class exam questions.	Forensics and Schizophrenia.	In-class Paper 3 mock exam.	Consolidation of knowledge and writing skills through targeted revision lessons.	Terminal A-Level Examination

A-Level Religious Studies (OCR)	Exploring different theological responses to religious diversity, debates about the meaning and purpose of religious language, and the role of conscience in ethical decision-making.	Mock Examination	Investigating contemporary philosophical, theological, and ethical issues through the study of gender, sexual ethics, and twentieth-century theories of religious language.	A-level exam questions.	Consolidating knowledge and skills through revision, recap, and exam-focused practice in preparation for A-level Religious Studies.	Terminal A-Level Examination
A-Level Sociology (AQA)	Theories and debates Religion, science, and ideology Theories of religion Religion and social change	Mock Examination	Crime - theories, social groups, the media, globalisation Religion and social groups Religious organisations	A-level exam questions	Crime – prevention, surveillance, punishment, victims Secularisation and renewal Religion in contemporary society Revision	Terminal A-Level Examination
AAQ Health & Social Care (OCR)	FO96: Supporting people in relation to sexual health, pregnancy, and postnatal health FO97: Supporting Healthy nutrition and lifestyles	FO96: Coursework Task 3 FO97: Coursework Task 1 and 2	FO91: Anatomy and physiology for health and social care	FO91 Mock Examination		FO91 External Examination
BTEC Foundation Diploma in Business (Edexcel)	Unit 14 Investigating customer service Unit 4 Planning for an event	Unit 14 learning aim A & B coursework Unit 4 learning aims B, C, D and E coursework	Unit 8 Recruitment and choice	Unit 8 coursework	Unit 4 Planning for an event	Unit 4 learning aim A coursework
BTEC Diploma in Business (Edexcel)	Unit 5 International Business	Unit 5 learning aim A and B coursework	Unit 5 International Business	Unit 5 learning aim C & D coursework	Unit 5 International Business	Unit 5 learning aim E coursework
BTEC Foundation Diploma in Sport (Edexcel)	Unit 2: Fitness Training and Programming for Health, Sport, and Well-being	Mock Examination	Unit 3: Professional Development in the Sports Industry	Unit 3: Coursework LAA, LAB, LAC and LAD	Unit 5: Application of Fitness Testing	Unit 5: Coursework LAC and LAD

	Unit 3: Professional Development in the Sports Industry		Unit 5: Application of Fitness Testing	Unit 5: Coursework LAA and LAB		
BTEC National Diploma in Sport (Edexcel)	Unit 23: Skill Acquisition in Sport	Unit 23: Coursework LAA and LAB	Unit 23: Skill Acquisition in Sport	Unit 23: Coursework LAC and LAD		
Level 3 Applied Diploma in Food Science and Nutrition (WJEC)	Chemical and functional properties of carbohydrates Food hygiene and food storage	Mock coursework, mock examination.	Chemical and functional properties of proteins and fats Microorganisms, preservation, and HACCP	Mock coursework, mock examination.	Unit 3 coursework Unit 2 exam	Unit 2 exam and Unit 3 coursework.
Level 3 Applied Diploma in Criminology (WJEC)	Unit 3 Crime Scene to Courtroom	Unit 3 controlled assessment	Unit 4 Crime and Punishment	Mock examination	Revision and consolidation	Terminal A-Level Examination
